

BIRMINGHAM 2022 COMMONWEALTH GAMES (28 July - 8 August 2022)

NOMINATION CRITERIA

Note: Unless specified, when referencing the word ‘athlete/s’, this applies to both able-bodied and Para-athletes.

1. NOMINATION/SELECTION PHILOSOPHY

- 1.1 The New Zealand Olympic Committee’s (“NZOC”) Selection Policy - Birmingham 2022 Commonwealth Games (“Selection Policy”) sets out the criteria that applies for the selection of athletes by the NZOC to compete at the Birmingham 2022 Commonwealth Games (“2022 CG”).
- 1.2 This Nomination Criteria is issued by the Board of Athletics New Zealand (“Athletics NZ Board”) and sets out the basis on which Athletics New Zealand’s (“Athletics NZ”) Nomination Panel will consider athletes for nomination to the NZOC Selection Panel to be considered for selection in the team to compete at the 2022 CG.
- 1.3 In the event there is any inconsistency between this Nomination Criteria and the NZOC Selection Policy, the NZOC Selection Policy shall prevail. This Nomination Criteria shall take effect from 24 August 2021 and was amended on 30 November 2021 and 17 February 2022.
- 1.4 The 2022 CG is an Athletics NZ “Black” Singlet competition (i.e., an Olympic Games, Paralympic Games, senior WA/WPA Track & Field World Championships or a Commonwealth Games).
- 1.5 Quota allocation: The maximum number of able-bodied athletes that Athletics NZ can initially nominate to attend the 2022 CG events will be limited to the number of quota places allocated to Athletics NZ by the NZOC. The initial number of able-bodied quota places allocated to Athletics NZ is 18. Athletes nominated for Relay teams must be included in this figure.
 - a) For able bodied athletes, quota places are allocated to Athletics NZ, not to any individual athlete or relay team.
 - b) Additional able-bodied quota places may also be available at the sole discretion of the NZOC through the redistribution of unused NZOC quota places and/or additional quota places offered to the NZOC by the Commonwealth Games Federation (“Reallocation Process”), if any. This Reallocation Process will take place before 20 June 2022. There is no guarantee that Athletics NZ will be allocated any additional places as a result of any Reallocation Process.
 - c) For Para-athletes, a quota place is allocated to Athletics NZ for a specific athlete and is not transferable to another NZ Para-athlete in accordance with the 2022 Birmingham Games Athlete Allocation System for Para-Athletics for the 2022 CGs.
 - d) Quota places for each Para-athlete event will be allocated to the seven highest World Para Athletics (WPA) ranked athletes from Commonwealth countries within the ranking period of 31 December 2020 – 25 April 2022. Allocation of a quota place does not guarantee that the Para-athlete will be nominated or selected to compete at the 2022 CG.
 - e) Non-travelling reserve able-bodied athletes may be nominated in accordance with this Nomination Criteria. However, non-travelling reserves may only be nominated for the initial able-bodied allocation places. No reserves can be nominated under any Reallocation Process.

- a) Individual athletes in field events and track events up to and including 5,000m in distance, that have achieved two ANZ-A Performance Standards at different meets, including one when winning (or being the first placed New Zealand athlete) in the event/s they are seeking nomination in at the applicable Compulsory Nomination Trial (as set out in clause 6.2); OR

Relay Team Members

- 4.4 If a relay team or teams are being nominated in accordance with clause 4.3d), the four athletes who set the fastest time under the Relay Event ANZ-A Performance Standard during the 2022 CG Qualification Period will be the athletes nominated. A fifth and sixth athlete may also be nominated where it can be evidenced (through comparison of like-for-like Individual Event times) that the nominated athlete(s) replacing an athlete in the team who set the fastest time under the Relay Event ANZ-A Performance Standard will result in a team performance being no slower than the relevant Relay Event ANZ-A Performance Standard. In addition, Relay Event priorities take precedence over Individual Event priorities for athletes who have not achieved a minimum of one ANZ-A Performance Standard in an Individual Event.

Quota place availability prioritisation for the able-bodied events
