- 4.3 **Permission to Start:** At the sole discretion of the NZOC, Nominated Athletes may, on Diving NZ's request to the NZOC, if they are selected to the Games Team by the NZOC, request permission to start in another Diving Event where competing in this Diving Event will not have any detrimental effect on the Diving Event they have already been selected for.
- 4.4 **Own Enquiries:** In considering the Specific Nomination Factors, the Selectors may make such enquiries of the Athlete, or other persons, as they see fit.
- 4.5 **Conditions:** In considering any results and performances of an Athlete at any Key Events and Trials, the Selectors may, but do not have to, take into account the conditions in which the results and performances were obtained such as, but not limited to, the field of competition.

4.6 **Extenuating Circumstances:** In any decision regarding the nomination of Athletes to the Games Team, the Selectors may, in their sole discretion, take into account any Extenuating Circumstances in accordance with clause 6 below.

5. **Over-Riding Nomination Criteria, Secondary Nomination Criteria and Specific Nomination Factors**

5.1 **Over-Riding Nomination Criteria:** In determining whether or not to nominate an Athlete (or pair of Athletes) to a Diving Event, the Selectors must be satisfied overall that the Athlete (or pair of Athletes):

- (a) is or are competing in a Diving Event where a quota place at the Games has been qualified in accordance with the IF Qualification System; and
- (b) is or are capable of achieving a top 16 placing in the Games in that Diving Event, with the potential to win an Olympic Diploma (top 8 placing); and

5.3 **Evidence**

(a) In determining whether or not the Athlete (or group of Athletes) satisfies the Over-Riding Nomination Criteria for Diving Events in clause 5.1 or the Secondary Nomination Criteria for Diving Events in clause 5.2, the Selectors shall have regard to:

i. *Results and Performances:* any one or more of the results and performances in the Diving Event at the following Key Events during the Qualification Period:

- Phase 1: The FINA Diving World Championships, Fukuoka, Japan (July 2023). Attendance at this event by Athlete(s) is encouraged but is not mandatory.

excluding France (as host of Paris 2024), shall obtain one quota place for their National Olympic Committee.

- Phase 2: The Oceania Diving Championships/Continental Olympic Qualification Event, Australia (TBC likely late-2023/early-2024). Any athlete wishing to be considered for nomination for the Games Team in a Diving Event **must attend this event**.

Note: The Continental Champion in each of the four individual diving events shall obtain a quota spot for their National Olympic Committee.

- Phase 3: The FINA Diving World Championships, Doha, Qatar (February 2024). Attendance at this event by Athletes(s) is encouraged but is not mandatory.

- Note: The 12 highest ranked athletes in each individual diving event in Doha shall obtain one quota place for their National Olympic Committee. The four highest ranked synchronised diving teams not already qualified, excluding France (as host of Paris 2024), shall obtain one quota place for their National Olympic Committee. Additional quota places may be obtained by athletes for their National Olympic Committee. These additional quota places will be allocated to athletes placed 13th and higher in Doha, until the maximum number of athletes is reached (136 across all diving events). FINA Diving Grand Prix or World Cup Events scheduled between 1 January 2023 and 13 March 2024. Any Athlete(s) wishing to be considered for nomination to the Games Team in a Diving Event must attend at least at least one FINA Diving Grand Prix **or Diving World Cup Event** in the period specified.

- (b) **Ranking**: In addition to the results and performances in clause 5.3(a) above, New Zealand Athletes will be ranked alongside their international counterparts by FINA, after competing in the relevant Key Events specified in 5.3(a)(i) in order to obtain an official world ranking. These rankings are compiled by FINA and may be used as additional evidence that an Athlete is capable of achieving a top 16 placing at the Games, with the potential to win an Olympic Diploma (as specified in 5.1(b)).

5.4 **Specific Nomination Factors**: When considering the Over-Riding Nomination Criteria above, the Selectors may also take into account any one or more of the following factors about an Athlete within the Qualification Period:
