This system limits the number of quota places for New Zealand athletes in each Event, and the total number of athletes that can represent New Zealand at the 2020 Olympic Games. New Zealand athletes need to qualify quota places in Events in accordance with the UCI qualification system, but qualification of a quota place in an Event by an athlete (or group of athletes) does not guarantee that, this athlete (or group of athletes) will be nominated or selected to compete in that Event at the 2020 Olympic Games. The total number of quota places that can be used by New Zealand for the 2020 Olympic Games for all the Events is set in accordance with the Qualification System.
- 3.3 No Obligation to Nominate:** Cycling New Zealand has no obligation to nominate athletes to compete in every Event for which New Zealand has qualified a quota place.
- 3.4 Multiple Events:** Cycling New Zealand may nominate an athlete(s) to complete in multiple Events for which New Zealand has qualified quota places at the 2020 Olympic Games. In addition, at the sole discretion of the NZOC, athletes who qualify for nomination in accordance with this Nomination Criteria, may on Cycling New Zealand's request to the NZOC and if they are selected to the Games Team by the NZOC, request permission to start in other Events where there is an available place and where competing in this Event will not have any detrimental effect on the Event they have already been selected for.

### 4. Step One – Recommendations from Discipline Panels

---

- 4.1 Recommendations:** Each Discipline Panel shall, for the Event(s) within their Discipline and in accordance with clause 4, recommend to the Cycling New Zealand Olympic Nomination Panel the athletes it considers should be nominated to the NZOC in each Event. Each Discipline Panel may recommend a number of athletes in its Discipline up to the maximum number of quota places for the Events in its Discipline, which either have been obtained, or could be obtained, under the UCI qualification system, but may also recommend additional athletes for consideration by the Cycling New Zealand Olympic Nomination Panel, (including, but not limited to, Reserves and P Alternate Athletes, if applicable) when it applies the criteria in clause 5.4. These recommendations must be made by each Discipline Panel to the Cycling New Zealand Olympic Nomination Panel by no later than the following dates: (“Panel Recommendation Dates”):
- a. for athletes in MTB Discipline, by **25 May 2021**
  - b. for athletes in BMX Discipline, by **8 June 2021**; or

- c. a later date than (a) or (b) above, as specified by the High Performance Director but to be no later than the Nomination Dates set out in clause 9.

An athlete may be recommended for more than one Event in a Discipline.

**4.2 Conditional Recommendations:** A recommendation may be made by a Discipline Panel to the Cycling New Zealand Olympic Nomination Panel subject to certain conditions being satisfied. If a recommendation is conditional, the specified conditions, may be required to be met to the satisfaction of the Cycling New Zealand Olympic Nomination Panel before that athlete can be nominated to the NZOC. For example, conditions attached to a recommendation may include those noted below or any other conditions specified by the Discipline Panel:

- a. Recovery from injury by a specified date;
- b. An athlete meeting a specified performance requirement (which may or may not require the athlete to compete in a trial (see clause 7) or other competition).

**4.3 Quota Place Recommendations:** A recommendation may also be made by a Discipline Panel noting that as at the date of the recommendation, the NZOC is yet to receive notification of a quota place for the 2020 Olympic Games under the UCI qualification system.

**4.4 No Obligation to Recommend:** There is no obligation on a Discipline Panel to make recommendations for all quota places which are or may be qualified for the Events within its Discipline, if it does not consider there are athletes that will achieve the Discipline Objective in clause 4.6.

**4.5 Considerations:** In making its recommendations, each Discipline Panel shall consider:

- a. the Discipline Objective in clause 4.6;
- b. the Nomination Factors, in accordance with clause 6; and
- c. any Extenuating Circumstances, if applicable, in accordance with clause 8.

**4.6 Discipline Objective:** Each Discipline Panel must be satisfied that the athlete or athletes it recommends for each Event are the athlete or athletes considered most capable of achieving the following, in order of priority:

- a. a medal in the Event in the Discipline at the 2020 Olympic Games; or
- b. if the Discipline Panel does not consider the threshold described in clause 4.6a is attainable in an Event at the 2020 Olympic Games, then a medal in an Event at the 2024 Paris Olympic Games.
- c. The ability of a rider to ride in support of a medal objective in more than one discipline at the 2020 Tokyo Olympics.

**4.7 Relevance & Weight:** Each Discipline Panel may decide on the relevance (if any) and weight that it wishes to place on any Nomination Factor(s) and any Extenuating Circumstance(s) as it considers appropriate. No particular Nomination Factor shall be weighed more or less significantly based on the order in which it appears in this document.

## 5. Step Two – Nominations Made by the Cycling New Zealand Olympic Nomination Panel

---

- 5.1 Nomination:** By the applicable Nomination Date for each Discipline (see clause 9.1), or a later date agreed between Cycling New Zealand and the NZOC), the Cycling New Zealand Olympic Nomination Panel shall nominate athletes to the NZOC to be considered for selection in the NZ Team, in accordance with clause 5.2. Such nomination may include athletes to be Reserves and P Alternate Athletes.
- 5.2 Recommended Athletes:** The Cycling New Zealand Olympic Nomination Panel may only consider for nomination those athletes who are recommended to it by a Discipline Panel.
- 5.3 Considerations:** When deciding which athletes to nominate to the NZOC, the Cycling New Zealand Olympic Nomination Panel must consider:
- a. the overriding criteria in clause 5.4;
  - b. the recommendations of the Discipline Panels;
  - c. the Nomination Factors, in accordance with clause 6; and
  - d. any Extenuating Circumstances, if applicable, in accordance with clause 8.
- 5.4 Criteria:** In deciding which athletes to nominate to the NZOC, the Cycling New Zealand Olympic Nomination Panel:
- a. **Primary Criteria:** must, as its primary criteria, be satisfied that the BMX athletes and MTB athletes which it nominates to the NZOC, are the athletes the Cycling New Zealand Olympic Nomination Panel considers capable of achieving the most medals at the 2020 Olympic Games. In considering the performance of an athlete, the Cycling New Zealand Olympic Nomination Panel may also consider nominating an athlete who has demonstrated they are capable of having a positive impact on another nominated athlete's medal success at the 2020 Olympic Games (where such nominated athlete's primary role will be to support the other nominated athlete who is capable of medal success) by employing a tactical racing approach during competition to enhance the chances of medal success. The Cycling New Zealand Olympic Nomination Panel may also decide not to nominate an athlete or athletes for an Event in order to meet the primary criteria and allocate the quota place for that Event to another Event in the same, or a different, Discipline (provided this is permitted under the UCI qualification system); and
  - b. **Secondary Criteria:** if, Cycling New Zealand has qualified a quota place(s) in an Event at the 2020 Olympic Games and it has not been reallocated by the Cycling New Zealand Olympic Nomination Panel under clause 5.4a, and the Cycling New Zealand Olympic Nomination Panel does not consider any athlete is capable of achieving a medal in that Event at the 2020 Olympic Games, then as a secondary criteria the Cycling New Zealand Olympic Nomination Panel may:
    - i. decide not to nominate an athlete for that Event and allocate the quota place to another Event or Discipline (provided this is permitted under the UCI qualification system); or
    - ii. nominate an athlete that the Cycling New Zealand Olympic Nomination Panel considers is capable of achieving a medal in an Event at the 2024 Paris Olympic Games; or
    - iii. decide to leave the quota place vacant;

**Provided that:** the Cycling New Zealand Olympic Nomination Panel is satisfied that each athlete has the capability to achieve a top 16 placing in their Event at the 2020 Olympic Games, with the potential to achieve a top 8 placing in their Event at the 2020 Olympic Games.

**5.5 Relevance & Weight:** The Cycling New Zealand Olympic Nomination Panel may decide on the relevance (if any) and weight that it wishes to place on any recommendations (with or without conditions) of the Discipline Panels, any Nomination Factor(s) and any Extenuating Circumstance(s) as it considers appropriate. No particular Nomination Factor shall be weighed more or less significantly based on the order in which it appears in this document.

## **6. Nomination Factors**

---
