1. Introduction

- 1.1 **Scope:** This Nomination Criteria explains how Cycling New Zealand will nominate athletes for Track and Road Events to the NZOC for the 2020 Olympic Games to be held in Tokyo, Japan between July 23rd and August 8th 2021 (“2020 Olympic Games”).
- 1.2 **Application:** This Nomination Criteria is issued by the Board of Cycling New Zealand. It shall take effect from 30 June 2020 and supersedes the Nomination Criteria for the Tokyo 2020 Olympic Games issued by Cycling New Zealand 16 October 2018 in relation to athletes for Track and Road Events. It applies to all athletes wishing to be considered for nomination for Track and Road Events to the NZ Team to the 2020 Olympic Games.
- 1.3 **NZ Team:** Selection to the NZ Team to attend the 2020 Olympic Games is a three step process, as follows, and as further described in this Nomination Criteria:
- a. **Step 1 - Recommendations:** Cycling New Zealand Selection Panels for each Event (which for the purposes of this Nomination Criteria are called “Discipline Panels”) decide which athletes they consider should be recommended to the Cycling New Zealand Olympic Nomination Panel for nomination to the 2020 Olympic Games;
 - b. **Step 2 - Nominations:** the Cycling New Zealand Olympic Nomination Panel decides which athletes, from those who have been recommended by the Discipline Panels, will be nominated to the NZOC; and

- 1.5 **Amendment:** This Nomination Criteria may be amended by the Cycling New Zealand Board provided the Cycling New Zealand Board has obtained prior written approval from the NZOC.

3. 2020 Olympic Games Events

- 3.1 **Events:** Subject to clause 3.2 (Qualification), Cycling New Zealand may nominate athletes (who are eligible under clause 2.1) to compete in the following Events at the 2020 Olympic Games, with men's and women's Events held separately:

This system limits the number of quota places for New Zealand athletes in each Event, and the total number of athletes that can represent New Zealand at the 2020 Olympic Games. New Zealand athletes need to qualify quota places in Events in accordance with the UCI qualification system, but qualification of a quota place in an Event by an athlete (or group of athletes) does not guarantee that, this athlete (or group of athletes), will be nominated or selected to compete in that Event at the 2020 Olympic Games. The total number of quota places that can be used by New Zealand for the 2020 Olympic Games for all Events was confirmed by the UCI on 10 March 2020 for Track Events and 16 November 2019 for Road Events.
- 3.3 **No Obligation to Nominate:** Cycling New Zealand has no obligation to nominate athletes to compete in every Event for which New Zealand has qualified a quota place.
- 3.4 **Multiple Events:** Cycling New Zealand may nominate an athlete(s) to complete in multiple Events for which New Zealand has qualified quota places at the 2020 Olympic Games. In addition, at the sole discretion of the NZOC, athletes who qualify for nomination in accordance with this Nomination Criteria, may on Cycling New Zealand's request to the NZOC and if they are selected to the Games Team by the NZOC, request permission to start in other Events where there is an available place and where competing in this Event will not have any detrimental effect on the Event they have already been selected for.

4. Step One – Recommendations from Discipline Panels

- 4.1 **Recommendations:** Each Discipline Panel shall, for the Event(s) within their Discipline and in accordance with clause 4, recommend to the Cycling New Zealand Olympic Nomination Panel, the athletes it considers should be nominated to the NZOC in each Event. Each Discipline Panel may recommend a number of athletes in its Discipline, up to the maximum number of quota places for the Events in its Discipline, which either have been obtained, or could be obtained, under the UCI qualification system, but may also recommend additional athletes for consideration by the Cycling New Zealand Olympic Nomination Panel, (including, but not limited to, Reserves and P Alternate Athletes, if applicable) when it applies the criteria in clause 5.4. These recommendations must be made by each Discipline Panel to the Cycling New Zealand Olympic Nomination Panel by no later than the following dates: (“Panel Recommendation Dates”):
- a. for athletes in Track Events, by **15 July 2020**;
 - b. for athletes in Road Events, by **2 June 2021**; or
 - c. a later date than (a) or (b) above, as specified by the High Performance Director but to be no later than the Nomination Dates set out in clause 9.

An athlete may be recommended for more than one Event in a Discipline.

- 4.2 **Conditional Recommendations:** A recommendation may be made by a Discipline Panel to the Cycling New Zealand Olympic Nomination Panel, subject to certain conditions being satisfied. If a recommendation is conditional, the specified conditions, may be required to be met to the satisfaction of the Cycling New Zealand Olympic Nomination Panel before that athlete can be nominated to the NZOC. For example, conditions attached to a recommendation may include those noted below or any other conditions specified by the Discipline Panel:
- a. Recovery from injury by a specified date;
 - b. An athlete meeting a specified performance requirement (which may or may not require the athlete to compete in a trial (see clause 7) or other competition).
- 4.3 **No Obligation to Recommend:** There is no obligation on a Discipline Panel to make recommendations for all quota places which are or may be qualified for the Events within its Discipline, if it does not consider there are athletes that will achieve the Discipline Objective in clause 4.5.
- 4.4 **Considerations:** In making its recommendations, each Discipline Panel shall consider:
- a. the Discipline Objective in clause 4.5;
 - b. the Nomination Factors, in accordance with clause 6; and
 - c. any Extenuating Circumstances, if applicable, in accordance with clause 8.

- 4.5 **Discipline Objective:** Each Discipline Panel must be satisfied that the athlete or athletes it recommends for each Event are the athlete or athletes considered most capable of achieving the following, in order of priority:
- a. a medal in the Event and/or other Events in the Discipline at the 2020 Olympic Games; or
 - b. if the Discipline Panel does not consider the threshold described in clause 4.5a is attainable in an Event at the 2020 Olympic Games, then a medal in an Event at the Paris 2024 Olympic Games;
 - c. For the Road Events, that an athlete has demonstrated the ability to ride in support of a targeted leader / medallist and will perform creditably in that Road Event;
 - d. The ability of a rider to ride in support of a medal objective in more than one discipline at the 2020 Tokyo Olympics.
- 4.6 **Relevance & Weight:** Each Discipline Panel may decide on the relevance (if any) and weight that it wishes to place on any Nomination Factor(s) and any Extenuating Circumstance(s) as it considers appropriate. No particular Nomination Factor shall be weighed more or less significantly based on the order in which it appears in this document.

5. Step Two – Nominations Made by the Cycling New Zealand Olympic Nomination Panel

- 5.1 **Nomination:** By the applicable Nomination Date for each Discipline (see clause 9.1), or a later date agreed between Cycling New Zealand and the NZOC), the Cycling New Zealand Olympic Nomination Panel shall nominate athletes to the NZOC to be considered for selection in the NZ Team, in accordance with clause 5.2. Such nomination may include athletes to be Reserves and P Alternate Athletes.
- 5.2 **Recommended Athletes:** The Cycling New Zealand Olympic Nomination Panel may only consider for nomination those athletes who are recommended to it by a Discipline Panel.
- 5.3 **Considerations:** When deciding which athletes to nominate to the NZOC, the Cycling New Zealand Olympic Nomination Panel must consider:
- a. the overriding criteria in clause 5.4;
 - b. the recommendations of the Discipline Panels;
 - c. the Nomination Factors, in accordance with clause 6; and
 - d. any Extenuating Circumstances, if applicable, in accordance with clause 8.
- 5.4 **Criteria:** In deciding which athletes to nominate to the NZOC, the Cycling New Zealand Olympic Nomination Panel:
- a. **Primary Criteria:** must, as its primary criteria, be satisfied that the whole group of Track athletes, or the whole group of Road athletes, respectively, which it nominates to the NZOC, are the groups the Cycling New Zealand Olympic Nomination Panel considers capable of achieving the most medals at the 2020 Olympic Games, in as many Events as possible. In considering whether this primary criteria can be satisfied, the Cycling New Zealand Olympic Nomination Panel may consider a group of athletes within a Discipline or an Event who are

capable of achieving medals at the 2020 Olympic Games. In considering the performance of an athlete, the Cycling New Zealand Olympic Nomination Panel may also consider nominating an athlete who has demonstrated they are capable of having a positive impact on another nominated athlete's medal success at the 2020 Olympic Games (where such nominated athlete's primary role will be to support the other nominated athlete who is capable of medal success) by employing a tactical racing approach during competition to enhance the chances of medal success. The Cycling New Zealand Olympic Nomination Panel may also decide not to nominate an athlete or athletes for an Event in order to meet the primary criteria and allocate the quota place for that Event to another Event in the same, or a different, Discipline (provided this is permitted under the UCI qualification system); and

- b. **Secondary Criteria:** if, Cycling New Zealand has qualified a quota place(s) in an Event at the 2020 Olympic Games and it has not been reallocated by the Cycling New Zealand Olympic Nomination Panel under clause 5.4a, and the Cycling New Zealand Olympic Nomination Panel does not consider any athlete (or for team Events, group of athletes) is capable of achieving a medal in that Event at the 2020 Olympic Games, then as a secondary criteria the Cycling New Zealand Olympic Nomination Panel may:
- i. decide not to nominate an athlete (or group of athletes) for that Event and allocate the quota place to another Event or Discipline (provided this is permitted under the UCI qualification system); or
 - ii. nominate an athlete that the Cycling New Zealand Olympic Nomination Panel considers is capable of achieving a medal in an Event at the Paris 2024 Olympic Games; or
 - iii. decide to leave the quota place vacant; and,

Provided that: the Cycling New Zealand Olympic Nomination Panel is satisfied that each athlete (or group of athletes for team Events) has the capability to achieve a top 16 placing in their Event at the 2020 Olympic Games, with the potential to achieve a top 8 placing in their Event at the 2020 Olympic Games.

- 5.5 **Relevance & Weight:** The Cycling New Zealand Olympic Nomination Panel may decide on the relevance (if any) and weight that it wishes to place on any recommendations (with or without conditions) of the Discipline Panels, any Nomination Factor(s) and any Extenuating Circumstance(s) as it considers appropriate. No particular Nomination Factor shall be weighed more or less significantly based on the order in which it appears in this document.
